WHERE WE'RE GOING.

This is the second in a series of articles that will focus on ABI Evangelists. Each month we will feature a minister so you can learn more about the unique ministries that are available to help reach the

Spotlight... On Evangelism

Brother Searels received the Holy Ghost in Rock Mills Alabama & was baptized in Jesus name on July 25 1977. He preached his first sermon at a work camp & souls received the Holy Ghost. He was the assistant pastor of 2 Churches where he was over the youth & saw God do many great works. He evangelized for a few years and took a church for a short time and God added to the church.

On the field he was able to preach to the Native Americans in Canada and the United States and was also able to go to

the country of Trinidad West Indies and saw many come to God and still receive letters and keep in contact with many there.

Brother Searels came to know about the Apostolic Brotherhood through Pastor Herman Hebert whom he met on the Canadian Border at a native church & was able to sit under his ministry for 12 years. He organized Street meetings, Prison services, worked with the youth, coached basketball among other things. He is currently Trustee & Promotional Director for the organization. The first

year he was able to sign up 5 new ministers & traveled many places including holding a conference in Akron Ohio for Pastor Mudhole. They set up a fellowship meeting at a church that was not in our fellowship and God did a great notable miracle there.

Brother Searels stands ready to assist Churches in the Apostolic Brotherhood while reaching out to other churches to promote the truth. He believes strongly that the ABI is on the brink of great growth both spiritually & in number as long as we stand fast & unmovable always abounding in the work of the lord.

Foreign Missions Coin March

Beginning January 2008 there will be a Foreign Mission Coin March to help benefit the ABI Missions Department. Collection jars will be made available for churches wanting to participate. The Coin March will go through the end of April 2008. For further information or to find out how you can obtain collection jars for your church please contact Brother Charles Rushing at 817-825-2139. A little spare change can add up to a big difference. Your participation could mean a lot to our missionaries.

The Apostolic Brotherhood Is On The Move

It seems that things are constantly changing around the ABI. As the new year approaches there are still more changes coming.

During the past year there have been many changes take place around us. ABI now has a web presence that is receiving hits from all over the United States and from other countries as well. There are new pews at the campground in addition to the new cordless mics and musical instruments that were there at Summer Camp Meeting. But the improvements haven't stopped. More changes are on

the horizon as well.

The last 2 Saturdays in January will be Youth Pavilion Work Days. All licensed ministers are encouraged to attend. This past year the youth pavilion was closed in from the weather and the improvements continue as we prepare a better facility for the youth of ABI.

Also please remember the yearly license fee as well as monthly dues. Your continued faithful support to ABI is

appreciated more than words can express.

It is our prayer that all of our ministers, their families and their churches will have a very merry and blessed Christmas. So many exciting things are going on around ABI and it is only through the great support we receive from the fellowship that these things are possible. From your offerings to having helping hands on work days it could not happen without you.
