# Apostolic Brother

KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN & WHERE WE'RE GOING.

*International*

*This is the first in a series of articles that will focus on ABI Evangelists. Each month we will feature a minister so you can learn more about the unique ministries that are available to help reach the world around you.*

## Spotlight... On Evangelism

Brother Mudhole has a unique way of using the paths his life has taken to reach out to those around him. Before he received the Holy Ghost he was involved in the biker scene. The years he spent living this life have equipped him to minister to bikers with a knowledge and wisdom that those who have never walked that road cannot possess. It is in the spirit of the instruction given to us by the Apostle Paul that Elder Mudhole sets his goal to be made all things to all people that he, by all means, might reach some. He

has been actively involved in "Biker Sunday" type services and can help with similar outreaches in your area. But don't feel that Brother Mudhole is limited to ministering in this area alone. In addition to his powerful Biker Outreach program he is also available for many other types of ministries and outreaches. He is available to preach an evangelistic series of services geared to reach the lost as well as seminars that will help equip those who labor with you in your local area reach the lost and further

establish the saints. He is also available to teach Outreach Seminars, Ministerial Seminars as well as In-Depth Topical Bible studies.

Brother Mudhole calls on his years in the ministry as well as his life experiences before he was saved. He uses this knowledge and experience to reach out to those who are lost and cannot find their way without the light of God's Word. If you are looking for an evangelistic minister with a similar vision you can contact Elder Mudhole in any of the following manners:
