*Whether you are a pastor looking for an evangelist to come and help reach your city or an evangelist wanting to be added to the list of ABI Evangelists anxious to labor in the field all you need to do is let us know*

## Evangelism Is Alive And Well

ABI is excited that we are seeing new churches added to our fellowship on a regular basis. As new works join our ranks the need increases for evangelists to help reach out to the cities in which we labor. In this months newsletter we would like to make it known to the ABI churches and evangelists that steps are continually being taken to bring these ministries together like never before. We would like to know the names & contact information for all ABI ministers who would like to make it known that their particular ministry is available. All

you need to do is send us your name, contact information and any specific information about your ministry to [secretary@apostolicbrotherhood.org](mailto:secretary@apostolicbrotherhood.org) or you can mail it to the return address on the newsletter.

Any ABI churches who would like to know more about the ministers that are available to assist in your efforts to reach the cities around you can call Rev Perry Cathey at (832) 275-6450. The list of available ministers will be available on the ABI website soon. When that is available we will make the

announcement in the newsletter as well as via mass email for those who are on the ABI mass email list. If you would like to have your email address added to the ABI mass email list simply send an email to [secretary@apostolicbrotherhood.org](mailto:secretary@apostolicbrotherhood.org) requesting to be added to the list and you will receive the most up to date information on what is going on in ABI in the fastest manner possible.

We already have a few names of various ministers who would be excited to hold services with you. The list of names can be found below. Call General Chairman Perry Cathey if you would like more information on how to contact these brethren.

## News From The Camp Grounds

It won't be too long and the doors will be opened at the camp grounds to bring in the newest improvements in Marlin. ABI has recently been blessed to acquire 22 pews for the camp ground. The pews are 14' long. Winter Camp Meeting isn't too many months away and things won't look the same as they did the last time you were there.

Things are always changing. That is just the way it is when you are part of a people who are on the move for work of the Lord.

Changes are taking place in the Apostolic Church of Jesus Christ at Lewisville Arkansas. Brother Cletus Fitzgerald pastors in this small town in southern Arkansas and has been laboring in this field for a number of years now. Recently the church purchased a new building located on the main highway going through town. The building they had previously held services in was also on a major highway but the

new location is much larger and has much more room for parking and outside activities. The land that came with the purchase will allow for the church to expand and grow for years to come.

The work in Lewisville is a pivotal work in the area. If the Fitzgerald family were not continuing in this labor of love there would be a 50 mile drive from one Oneness church to the other whether you were driving

north to south or east to west. This church is also the only Oneness church in the entire county. Please keep this very important work in your prayers. We would also like to announce that Saturday October 6<sup>th</sup> the Apostolic Church of Jesus Christ is hosting a Fellowship Meeting at 2pm. If you are within driving distance please do all you can to make it to this service and lend your support to this very important work.
