KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN & WHERE WE'RE GOING.

International

Summer Camp Meeting 2007 was really enjoyed by all who attended. We were blessed with great singing, encouraging & forward looking ministry and fellowship second to none.

2007 Summer Camp Meeting

The 2007 Summer Camp Meeting was another resounding success. Great messages were heard, times of worship and fellowship were shared and all who came left refreshed and excited. The Business Meeting went very well and many achievements of the past year and future plans for the coming year were discussed. You can read about these exciting happenings in the article on the back page of the newsletter. Brother Chancellor was elected the new General Secretary/Treasurer filling the very able shoes of Brother Thompson

after his recent resignation. Brother & Sister Thompson have 2 new foster children with him in their home and have made this move to dedicate themselves more fully to their care. His consistent and untiring labor in this office will be sorely missed. Brother Jeramy Thompson has stepped down as Youth President with increasing responsibilities of his own. The board will be appointing a new Youth President soon or will form a committee to serve in this capacity. ABI Youth will be enjoying some of the successes from Brother

Jeramy's time of service for years to come as the Youth Pavilion is used and added on to over the years.

After the exciting news of what God is doing in the Philippines a good number of pledges were made to increase the ability of Apostolic Brotherhood International to support the ministers as the labor in the ripe field that is their homeland.

We would like to thank all who worked so hard to make Camp Meeting go smoothly for everyone. First, thanks to the ministers who fed us with the Word, not only for the moment, but for the journey ahead. Thanks also to the musicians & singers whose sacrifice of praise rang out each service. We could not fail to thank the ladies who worked so hard to have delicious hot meals prepared for us so many times. Your labor of love is highly appreciated. And last, but never least, we give thanks for the fulfilled promise that where 2 or 3 gather in His name... He is there.

News From The Philippines

Please do remember the Foreign Missions work in the Philippines. Brother Charles Warren reported at 2007 Summer Camp Meeting that another 30 churches are considering become a part of Apostolic Brotherhood International's continued effort to reach souls. ABI already has over 100 churches in the Philippines and should these brethren join with us then our ability to further impact the Philippines with the saving gospel of Jesus Christ will be increased that much more.

Moving Forward, Making Progress & Raising Our Vision

It was encouraging to hear of the many changes that have taken place this year as well as the exciting plans that are still in the making.

You might be amazed at some of the things going on around ABI if you haven't been paying very close attention. In the past year some of the things that have been accomplished are as follows: We have a new roof on the Camp Facility, the Youth Pavilion has been closed in, wireless microphones, a bass guitar & a set of drums are now a part of our growing camp facility. There is now full time

yard maintenance at the campground thanks to several brethren who have purchased this service as a gift to ABI.

While there has certainly been a lot going on in the past year the next 12 months has just as much on the agenda as we continue to grow and expand as an organization. There is a program called GRACE being designed for ABI churches & ministries to use in ministry to

families struggling with certain internal issues. We are looking to put dorms in the Youth Pavilion, an improved sound board & monitors for the platform, making ABI services available on the new website, getting speaker schedules for meetings out sooner among other things. Please feel free to stop by ABI's new website at www.apostolicbrotherhood.org and pass it on to as many people as you can.
