KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN & WHERE WE'RE GOING.

International

There are always so many things going on it is sometimes hard to keep up with it all. Here are a few helpful reminders of some of the things going on right now.

What's Going On Right Now?

With the holiday season having recently passed, Mid-Winter Conference coming up soon and so many other things going on in each of our lives we can sometimes lose things in the shuffle. So here is a quick recap of what is going on this time of year in ABI.

Don't forget the Coin March that began in January to benefit ABI Foreign Missions. If your church would like to participate please contact Brother Charles Rushing at 817-825-2139. There are collection jars available and Brother Rushing can provide you with all

of the details.

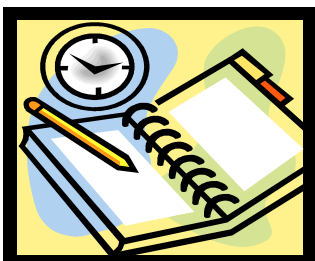

Licensed ABI ministers please remember the yearly license fee of \$25 due each January in addition to the monthly dues.

We would love to hear all the exciting things going on in your local assembly. If you have announcements of upcoming services or testimonies you would like to share with others we would be happy to hear about what God is doing and share it in the newsletter with everyone. Simply send a letter or an email to the address shown on the back page of the

newsletter.

Much hard work is going on to try to finish the ABI Ministerial Directory in time for Mid-Winter Conference. We are excited about offering an up to date directory of all of our ministers & churches. Once this directory is complete and has been placed in the hands of each of our ministers please do use this resource to call or email the brethren from time to time with words of encouragement & fellowship. We are an apostolic organization. We are an international organization. But the centerpiece to the name Apostolic Brotherhood International is the word Brotherhood. We can do more together than we could ever accomplish apart and it is very important that we network with each other and be a source of strength and support for one another.

We are thankful for each and every one of you and for all that you do to make ABI a successful fellowship of apostolic brethren.
