Come expecting to hear from the Lord and leave refreshed and glad that you made the trip.

Camp Food Offering Reminder

ABI Churches please do remember the Camp Food Offering. Each year, thanks to these kind offerings, we are able to make available some breakfast items and prepare a nice lunch meal for all to enjoy as well. Not only do we get to enjoy a wonderful meal when the morning services are over but we also get an opportunity to spend time enjoying fellowship one with the other. Thanks in advance for your offering to help with this portion of Summer Camp Meeting.

There is always something getting better at the campground. It is hard to see too many months go by without something new popping up.

Over the last year or so we have seen the youth pavilion closed in, dropped ceilings and interior walls installed. The pews in the auditorium are no the same ones that were there before. There is new sound equipment, new cordless microphones and when

Don't Miss All Of The Improvements

There are continual improvements going on at the Marlin Campgrounds. Don't miss out on seeing all the changes.

you drive up you just might have to take a second look to make sure you are at the right place.

A big thanks goes out to Elder Searels and his lovely wife for their work on painting the outside of the Main Building.

The pictures to the left are the before and after shots of a long days work.

The past year or so has held more than a few Work Days at the campgrounds and we would

like to thank all of those who have shown up and worked so hard to make it a better place that serves this brotherhood's growing needs

There has been so much accomplished and yet there is so much yet to do. That's is the way it is when you are part of a vibrant & growing organization.

Don't miss out on seeing the results of all of the hard work that has been put into making the campground a better place.
