KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN & WHERE WE'RE GOING.

International

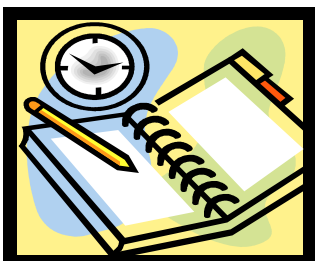

A preacher once told me "If you're not careful you'll miss the simplicity of Christ". Those words have shaped my life from that day to this. Sometimes we can miss the simplest manifestations of His glory.

A Manifestation Of God

My family and I are moving to a small town in Arkansas. When we first began to meet the locals I heard about a local church in town that was raising money to help rebuild the sanctuary of another local assembly. Now that isn't something you hear very often. We left the downtown area of our little town of less than 1300 and headed to the house to start working. During the day I continued to think about these churches helping one another and the thought kept working on my mind while I worked.

The next day we were still working at the house and I had a sermon playing from a local Arkansas church. I was half working and half listening. The man began to say something that I have said dozens of times in my life. He said "I want to see a manifestation of God that nobody can deny". How many times have I said that? How many times have I reiterated that phrase picturing in my mind some phenomenal miracle or mind blowing happening complete with oohs & ahhs. But this time, as my mind snapped to

what had just been said, I was immediately taken back to these 2 Churches reaching out to one another and the thought immediately crossed my mind... "If you want to see a manifestation of God... then manifest." I was shaken at the years of my "wanting to see a manifestation" juxtaposed against a sudden realization that WE ARE that manifestation that the world is waiting on. I want the world to see God, to know Him the way I know Him and to see a mind numbing manifestation of His Glory. I find myself humbled, broken and challenged at the realization of this simplest of revelations. I am the manifestation I have been waiting on. It is in my reaching out to others that offers the most relevant manifestation of God's glory my neighbors will ever see. As I bow my head in prayer I find a new request passing my lips. "God... make me a manifestation of you that nobody can deny."

Work Days At The Campground

As 2008 Summer Camp Meeting draws near it is time to spruce the place up a little bit. There is a scheduled work day at the campground in Marlin Texas the first and last Saturday in June. That would be June 7th and June 28th. If you can make it to one or both of these work days let Brother Cathey, Brother Kearney or Brother Chancellor know. Every possible hand is needed to help get the camp facility in tip top shape for Camp Meeting in July.

2008 Camp Meeting Is Coming Soon

It won't be long now. The countdown to Camp Meeting is ticking down and in a few short weeks the wait will be over.

The schedule for the 2008 Camp Meeting is set and the speakers will be announced in the July newsletter.
