Annual ABI Christmas Banquet

Another year has nearly gone by and it is time for the Annual ABI Christmas Banquet. The date to mark on your calendars is December 6th 2008.

The festivities will take place at the

Cotton Patch Café
3207 South 1st Street
Lufkin Texas 75901

Meals will be ordered from the menu beginning at \$6.99. The average meal is \$8.99.

As usual, everyone please bring a \$5 to \$10 gift to exchange with others at the banquet. The brethren should bring a gift for a male and the sisters bring a gift for a female.

This year there will be special entertainment by the musical and comedic talents of Brother Lawrence. How often do you see someone play 2 saxophones at one time? And in the midst of all of the fun you can listen for a word from God. You simply won't want to miss it

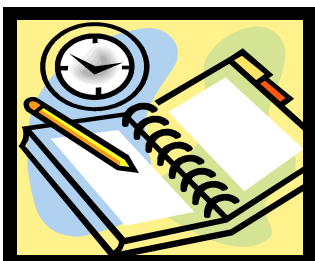

If you would like to view the Cotton Patch Café menu ahead of time you can visit <http://www.cottonpatch.com> and view their menu online.

There will be good food at a good price. There will be great entertainment lined up. A lot of effort has been put into creating this time of fellowship but the one thing that will make it a success is your presence.

As with everything that the ABI does it is the people that make it a worthwhile event. The chance to see one another again, catch up on old times and gather together with brethren of like precious faith is what makes each of these meetings a success.

We look forward to seeing you there. Please RSVP Brother Cathey, Brother Kearney or Brother Chancellor when you have the opportunity to help us have an idea of how many will be in attendance.

So mark your calendar now...

ABI Ladies Fellowship Meeting...

Without A Doubt... We Need One Another

It has been said that no man is an island. We are all part of a family by God's own design. We cannot forget... We need one another.

this immutable fact.

We need one another.

After such an amazing series of miracles the fact that Elijah felt alone was the thing that affected him so strongly. Even after God informed Elijah that there were 7,000 who had not bowed their knee to Baal the fact still remained that Elijah was alone.

The first thing that God did after his encounter with Elijah in the cave was to

send Elisha to go with Elijah and minister to him. Elisha eventually received a double portion of Elijah's anointing. When we realize that we need each other then we find others who minister to us. Then, as we minister one to another, each of us finds our place in the Kingdom and the result is that everyone's ministry is enhanced. Never forget how much we need one another in this family of God.

Elijah.

The name evokes thoughts of the powerful ministry of a man who stood against those who worshipped false gods and had lost their way in the worship of the one true God.

But with all of the mighty miracles wrought by Elijah's ministry there was something missing deep inside. Elijah felt he was alone. This should serve to remind us of
