Mid-Winter Conference was a resounding success. The spirit of praise & worship was strong. The word of God delivered in the services was timely and powerful.

Mid-Winter Conference 2009

The floors have been swept, the lights have been turned out and the doors have been locked once again. Mid-Winter Conference 2009 is now over but the word that was delivered will serve to guide the ABI for years to come.

Mid-Winter Conference 2009 was a true ministers' conference with excellent messages being preached that beckoned us as individuals, local assemblies and an organization to come to a higher place.

Brother Curtis Holmes Sr. started the conference off on Wednesday and set a foundation for the rest of the week.

Each of the brethren that came to the podium to speak brought another unique and challenging prospective.

Brother Cathey finished the Mid-Winter Conference out Friday night with a rousing reminder that we still believe in the old ways and we still walk the old paths.

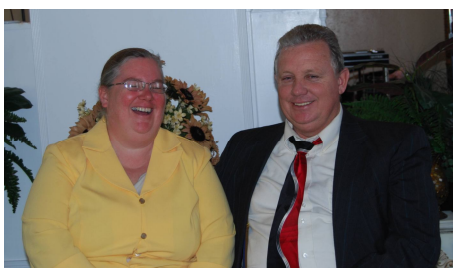

All in all the Conference was a time of unity, strengthening & refreshing.

Thursday speakers were Brother Paul Davis, Brother Joe Chancellor and Brother Harvey Few.

We want to offer our thanks to all of the brethren that spoke for bringing with them a prayerful and timely word for the Body of Christ.

The wonderful messages have stirred within us a desire to try to have the ability to record the services sometime soon. It would be wonderful to be able to share these sermons with those who were not able to be there.

It was announced at the Business Meeting that receipts for dues & license fees will be sent out on an annual basis beginning in 2009 rather than on a monthly basis. If any of the brethren would prefer to receive a monthly receipt let Brother Joe Chancellor know. Thanks to all who have already paid their dues & license fees. For those who have not yet done so please remember to send that when you can.

Successful Installation Service...

The Pastoral Installation services in DeRidder Louisiana were a resounding success. Pastor & Sister Searels along with the wonderful church family at New Beginnings Church are working together to reach the city of DeRidder and beyond. The house was packed for both services with people coming from several states to attend. Many thanks to the New Beginnings church family for their great hospitality & spirit as well as to those who traveled so far to be there. Congratulations Bro & Sis Searels

There's A Lot Going On These Days...

Remember to keep up with the many events going on. There are plenty of things going on so do what you can to be a part.

Don't let it be said that there's nothing going on in the ABI. There are many exciting events taking place over the next few months.

In Arkansas there is always another Fellowship Meeting coming up. Brother Cletus Fitzgerald does an excellent job of keeping a steady round of meetings going. The meetings are always well attended and full of lively worship and preaching.

This month's meeting is in Arkadelphia AR. The details are on the Upcoming Events bar.

Don't forget the upcoming Holiday Youth Explosion in Marlin. This annual event is an effort of outreach & ministry to the future of ABI... our youth. Please do all you can to get your youth group to this year's HYE. They will be blessed.

If you need to make hotel reservations you can contact

Relax Inn at (254) 883-2581.

The very next weekend after HYE there will be a West Texas Fellowship Meeting at Pentecostal Church Of Jesus Christ in Sweetwater. With the recent loss of Brother James Thompson it would be a blessing to this church to have a great showing.

In preparation for HYE & Camp Meeting there will be a work day Saturday March 21st at the campground @ 9am. Please come and help.
