*Within the pages of the Word of God we find the answer to all that ails
the world we live in today. As the old song said so long ago... Jesus Is
The Answer*

The Power Of The Word of God

It seems that the world we live in is reeling to and fro with every possible ill that mankind could be stricken with. The world is in a state of moral decay. Love, respect and obedience seem to have gone by the way side. Everywhere we look things seem to moving farther from God.

When we stop and look at the world around us it is amazing to see how complete an answer the Word of God is. Through the Word of God man finds direction, leading & guidance that leads to peace that passes all understanding.

If the whole world began to obey the wisdom of the Word of God tomorrow what would be the effect that it would have?

Broken homes & marriages would find an instant end to the downward spiral they had been experiencing and would find healing as families grew in the knowledge of the word of God.

Teenage pregnancies would end in 9 months. AIDS would be gone in one generation. Wars would stop overnight. How amazing it is to see the formidable impact that one book could have on the earth.

Not only is the Word of God so powerful on a global scale it has equal power to transform our individual lives & our families.

When things in our lives take a turn for the worse and the peace that passes all understanding seems to elude us it is a wise move to find the Word of God and search its pages. Within it we find the answer to the turmoil.

Sometimes the answer is to search ourselves and make a change. Other times the answer is to hold on in faith expecting to see God's mighty hand. And still there are other times we are compelled to find time on our knees and pray for those who might have despitely used us.

No matter what the need is the answer is, most assuredly, found within the pages of the Word of God.

How thankful we are for such a powerful resource in our lives.

Thanks... From DeRidder LA

We just wanted to thank everyone for their prayers & efforts that made our installation service possible. New Beginnings Church was moved by the great number of ministers that came. Bro Joshua Cathey & Bro Carroll preached 2 great messages that the church and the city are still talking about. God is blessing us so much at New Beginnings. Our youth were so blessed at the Youth Explosion in Marlin. They came back with zeal and on fire for God. I am still concerned about Sister Do right and the preacher that was doing so great. We are looking forward to Camp Meeting. Ministers don't forget to come and really play ball this year. We came close in the first inning last month. Also our new game is Louisiana Bayou Bungee Jumping!! Stay on fire young people remember you are the church of today

HYE Was A Rousing Success

Those who made it to this years Holiday Youth eXplosion had a wonderful time of fellowship, fun and some mighty moves of God.

The Holiday Youth eXplosion was a rousing success from all reports we have received. All of those involved had a great time on so many levels.

There were a lot of activities planned and it was a great time for the youth of ABI to get together and fellowship with one another. There was, of course, the usual ball game between the youth and the ministers and I am sure that the youth of ABI would

be very disappointed if I didn't mention that they, once again, outplayed the ministers.

There was a message circulating that the ministers were certain that they would not be beat next year but, if memory serves me correctly, I think something similar was mentioned after the 2008 Summer Camp Meeting along those same lines. Only time will tell.

All kidding aside the services were great and the young people were touched and moved by the Spirit and the Word of God.

We are thankful for all of those who put so much effort into making this event possible as well as those who were there to participate in this fabulous weekend.

Events like HYE help strengthen and unify the youth of ABI and bring us all together as one body.
