Apostolic Brotherhood

KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN &
WHERE WE'RE GOING.

International

There are plenty of ABI ministries who could use your helping hand. It is always such an encouragement to have another minister come and share their heart and vision.

Lending A Hand To Our ABI Ministries

Within the ranks of the Apostolic Brotherhood International we have many talents and ministries at work. There are teachers, evangelists, pastors, brethren with a special talent to work with youth etc. We are blessed with a myriad of talented and anointed brethren. This month we would like to ask all of our ministers to remember the other ministries that are working to reach the lost in their area. When we preach for one another we encourage one another. When we

reach out to another ministry we are blessed as well. In August Elder Mudhole made the trip from Arkansas to Sikeston MO to minister for Brother Charles Warren and both brothers were truly blessed by the experience. Brother Mudhole was in Sikeston for 5 services and 4 souls were filled with the Holy Ghost. Brother Warren, as always, is working hard to reach souls in Sikeston and in the missions field. If any brethren can find the time to visit and minister for

a few days in Sikeston it would certainly be a blessing to Brother Warren and you will, without doubt, be blessed yourself.

Brother Cletus Fitzgerald is another minister who would be greatly encouraged if someone would come and share the burden at Lewisville Arkansas.

We have many brethren who would be blessed beyond measure by a visit by some of our ABI ministers. So if there are any of our licensed ministers who are looking for a place to preach please contact any of the board members. We would also like to hear from any of our established ABI churches looking for someone to come and share in the labor where they are working so hard to reach the lost.

We are an apostolic brotherhood and we simply cannot make it without one another. Reach out to ministries in other areas and you will certainly be blessed for it.

Please Remember Your Pledges...

We want to send out a friendly reminder to keep up with your pledges. Many made pledges toward the purchase of a step down transformer at camp meeting. Most have already forwarded that money but there are still a few pledges still out. Also remember any pledges made to support Foreign Missions on a monthly basis as well. As always we are overwhelmed with gratitude at the ongoing kindness and generosity of our ABI family. Thanks for your giving.

What A Mighty God We Serve

It is a humbling experience to pause from time to time and remember what God has done for us...

On a Sunday morning not so long ago I sat and listened to the minister share his heart with us. As he spoke some very basic understandings of what God has done for us began to roll through my mind that morning.

The thoughts were not profound by any means. There was no new thing that was rolling through my

mind. It was simply a fresh realization of God's amazing grace.

I am the sinner. But He became sin for me so that I might escape the price of that sin.

I am the one who needs healing in my body. He took wounds upon his body so that my wounds could be healed.

The Word says that the man who is hanged on a

tree is cursed. But it was my curse he was experiencing.

He died. The reason why? That I might live. And not only live but have abundant life.

I know this is not some profound article. I just found myself amazed, once again, at his grace and I hope I never find that grace anything but amazing.
