KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN &
WHERE WE'RE GOING.

International

We have had to make a few changes in the Mid-Winter Conference plans for this year.

Changes In Mid-Winter Conference

Due to not yet being able to locate a step down transformer for the campground facility in Marlin we are having to make a few changes to the previously stated in last month's newsletter. Without the step down transformer there will be no electricity at the campgrounds and Brother Holmes has graciously agreed to host the Mid-Winter Conference at his

church in Kosse Texas just 15 miles up the road.

We offer many thanks to the Morning Star Christian Fellowship in Kosse for hosting this event. The church is located at 500 East Washington in Kosse. The Relax Inn is still the closest available motel (254-883-2581) but moving the Conference to Kosse makes Groesbeck just a few miles farther away. You can

contact The Limestone Inn (254-729-3017) or Best Western (254-729-0077) if you would like to look into other options.

The Conference will begin the evening of February 17th (Wednesday) and continue through the evening of February 19th (Friday).

In some news that will pertain more to the Annual Camp Meeting there is a new Best Western going up in Marlin a little over a mile from the campgrounds and they will begin taking reservations on March 1st 2010.

Further news concerning service times & speakers will be coming up in next month's newsletter.

We look forward to seeing you there.

Welcome To Our Newest ABI Ministers...

We would like to extend a heartfelt welcome to several new ministers that have joined the Apostolic Brotherhood International in these last few months. We want to welcome Rev. Henry Charles Crane from Silsbee Texas, Rev. Carlos E. Dueñes from Las Vegas NM and Rev. Daniel Delong from New Caney Texas. There will be a new & updated Ministerial Contact List coming out with each new license as we receive each ministers Annual License Fee etc. The new & updated list will contain these brethrens' contact information as well as a few updates concerning the contact information of some of the brethren previously on the list.

A Project Of Recovery...

We are working on a new project to restore our funds after a hard year last year.

ABI is undertaking a new project to help restore the funds lost during the time that TXU was charging us with the "On Demand" billing. It was quite a hit to us financially and the board has met to see what type of projects might be undertaken to help bring the treasury back up. TXU was charging us \$4000+ per year from the very few

days a year we actually used the campground facility. We now have a project underway and any and all forms of help, prayer & encouragement are appreciated. There has been a 2001 Clayton Home purchased and there have already been 2 days put into cleaning & remodeling. If there is anyone who can help with cleaning, remodeling etc

please contact Elder Cathey at 832-275-6450. We also need some used cabinets in the remodel as well.

It would be a great blessing if this remodel were to be finished quickly and the mobile home would sell quickly and for a good price. Please keep this project in your prayers that all will be finished quickly and that it will sell quickly as well.
