# Apostolic Brotherhood

KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN & WHERE WE'RE GOING.

*International*

*There are a number of resources available to you and it would be a good thing to use each one to your advantage. We would love to work with you to help get the news of your ministry reach more places.*

## Keeping In Touch Is The Key

The Apostolic Brotherhood International works hard to make resources available to you that might assist you in getting the word out about special services or other ministries that you or your church have going on at any given time. If you have events that are coming up that you would like to let others know about you can let us know and we have several venues that we

can use to help you get that word out.

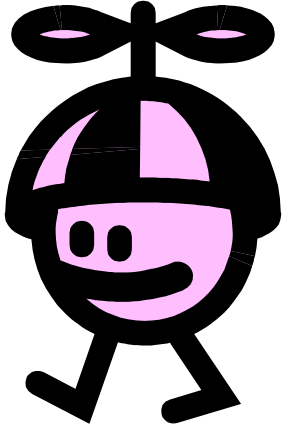

If we get the information in time we can announce your event in the newsletter. We can also broadcast your event to the Facebook fans that we have on the ABI Facebook page and we send out mass emails to announce events, prayer requests and other important announcements.

If you receive our newsletter by mail but would also like to be on the email list just forward your email address to the contact info on the back page and we will add you to the ABI Mass Email list. By being on the ABI Mass email list you will get information much quicker and the pdf copy of the newsletter that you receive can be easily printed out to use as a monthly bulletin at your church or to hand out around town.

We are always trying to find new ways to assist our ministers in getting the word out about their events. If you are an evangelist we would like to help you get the word out that you are available to minister. ABI is working hard to help your outreach do it's very best.

## Very Important Campground Work Day...

If you are able to make it to the Campground in Marlin Texas on Monday July 12<sup>th</sup> we would certainly appreciate your help. The generator has been on the grounds for some time now and the transformer is now in place. There will be an important work day on Monday July 12<sup>th</sup> beginning at 8am. Activities planned for that day will be the final wiring of the transformer from the generator and hooking up to the Main Sanctuary & Youth Pavilion. On top of those activities there will be fallen trees cut up and moved, the A/C will get a good check up to make sure it is in working order, the Campground lawn will be mowed & weed eating will be done as well as making the Youth Area ready for Camp Meeting. Every able hand will be appreciated.

# Great Minds Are Still At Work Even At This Late Hour

*The minds never stop churning when it comes to activities to make the youth activities more and more fun.*

Plans are still coming together for youth activities for this year's Annual ABI Summer Camp Meeting. Brother Searels and his think tank are continuing to work on bringing fun things together for the young people.

Recently I received a text from a member of the Youth Activities Fun Team asking me to pass on

some more information on to the ABI Youth.

Please note and prepare for the following special days.

Wednesday is Crazy Hat Day. Bring the craziest hat you have or can make and see if you can bring the craziest hat for this year.

Friday is Dress Crazy Day. Go through your closet or someone else's

and see what crazy dress items you can find to wear. I am sure that there will be some heated competition for both of these days so work hard to make sure you are the craziest one for each of these days.

Please do keep modesty in mind while putting your outfits together but, beyond that, It's Katy Bar The Door. ☺

To submit articles, information or upcoming events for the Newsletter email [newsletter@apostolicbrotherhood.org](mailto:newsletter@apostolicbrotherhood.org) or send a letter to Joe Chancellor General Secretary at 2340 Moores Church Road, Rison AR 71665
