KEEPING THE BROTHERHOOD INFORMED OF WHERE WE'VE BEEN & WHERE WE'RE GOING.

International

We had a great time at Mid-Winter Conference this year. It was certainly great to spend time with brethren of like precious faith and to hear the good Word of the Lord.

Another Great Mid-Winter Conference

We are thankful for every one that was able to make it to the Mid-Winter Conference of 2010. It was such a blessing to see each of you there and to be able to fellowship together with precious brothers & sisters in the Lord. We would like to offer a sincere thanks to Brother Holmes and the Morning Star Christian Fellowship church family for hosting the Mid-Winter

Conference this year. Your sacrifice is greatly appreciated. We would also like to say Thank You to Brother Curtis Holmes Sr, Brother Mickey Searels, Brother Bobby Lovett, Brother Carl Marshall and to Brother Joshua Cathey for delivering such powerful messages to the Conference and to those who gave of their musical talents to make the Conference such a

resounding success.

Mid-Winter Conference and Camp Meeting are the coming together people willing to share their burdens, visions & talents with one another and your participation & attendance mean so much to this brotherhood.

Finding The Power Of Prayer

There is nothing we can learn to do that will do more to change our lives than finding the power of prayer.

Prayer.

It is a simple concept and yet it is a force that can move mountains, heal the sick, raise the dead as well as help us find leading and guidance when we don't know our way.

There is little in our lives more important than learning how to pray. When we pray properly we ask according to His will.

This is a key element of prayer that we ask according to His will because we often have not because we ask for the wrong reasons. We often feel that prayer is to bring requests of our own will before God but prayer's primary focus is that His kingdom would come and His will be done.

When we realize this then prayer begins to mold us.

When we pray according to His will we learn His will in a greater way and we can more easily see that will in our day to day lives. Yes... prayer is a powerful force and there is little we need more than prayer. Prayer changes things... this is certain. But the very act of prayer changes us too as we continue to seek and then recognize His holy and wise will.
